Appeals/Reconsiderations (Medical) and Grievances Guide

The **Provider Portal** is the fastest way to submit Appeals and check status. In the portal, there's a convenient and easy way to **Chat** with an agent. You can also check status of Appeals by calling Provider Services.

APPEALS AND RECONSIDERATIONS (MEDICAL)

APPEALS (NON-PARTICIPATING PROVIDERS AND MEMBERS)

Procedures that deal with the review of adverse initial determinations made by the plan on health care services or benefits under Part C or D the enrollee believes they are entitled to receive.

RECONSIDERATIONS (PARTICIPATING PROVIDERS)

A reconsideration is the first appeals process level. Reconsiderations involved an MA plan reviewing an adverse organization determination, the findings they based them on, along with other evidence.

All non-participating Medicare provider appeals must be submitted within **65 calendar days from the date of the notice of the initial determination** and they must also submit a signed waiver of liability (WOL) with their request for processing. Accompanying the WOL, an Appointment of Representative form is needed for the WOL process whenever a vendor (such as a billing entity) is appealing on behalf of a non-participating provider. When submitting an appeal, the specific code or service being appealed must be listed on the appeal form. Anything else related to authorization or medical necessity that is in question should be sent to the Appeals P.O. Box. Include all substantiating information (please do not include image of claim) like a summary of the appeal, relevant medical records and member-specific information.

Participating providers must seek a reconsideration through the Appeals Department within **90 calendar days** (required timing is listed in your contract) of a claim denial for lack of prior authorization, services exceeding the authorization, insufficient supporting documentation or late notification. When submitting a reconsideration, the specific code or service being reconsidered must be listed on the appeal form. Anything else related to authorization or medical necessity that is in question should be sent to the Appeals P.O. Box. Include all substantiating information (please do not include image of claim) like a summary of the appeal, relevant medical records and member-specific information.

APPOINTMENT OF REPRESENTATIVE (AOR)

With the Member's written consent, an appeal for denial of an authorization for medical service/Part B Drug can be filed on the Member's behalf by a participating Physician who has or is currently treating the Member. If the Member wishes to use a representative, they must complete a Medicare AOR form, ***or an equivalent written notice***. The Member and representative must sign the AOR form.

The appeal will not be considered valid until the AOR documentation is provided. AOR Forms can be found on the plan website, under Forms.
